Dear Prospective Patron:

The Junior Service League of St. Augustine, Inc. (JSL) proudly announces the onset of our newest project—LIGHTNER EAST. The project, named for the eastern, semicircular room on the second level of Lightner Museum, is a restoration effort conceived in appreciation for the Lightner Museum and Staff in their endless support of our organization. For over 27 years the museum has been host to our annual gala, enabling our organization to successfully raise a significant level of funding to benefit a variety of local community organizations.

At the project's commencement, we have arranged a special invitation-only tour of the Lightner Museum. The evening will be an opportunity to share in the Lightner East restoration plans and to take a closer look at ways in which you or your organization can support our efforts.

Of notable interest is our "Lightner Treasures" sponsorship, which allows patrons to restore and display a decorative element of historic significance of their choice. Pieces include a chandelier, parlor table, pedestals, marble and bronze sculpture and other art. The restored piece will be showcased in Lightner East with a suitable plaque of recognition.

Patrons of the Lightner East will enjoy a variety of benefits, and all will receive an invitation to the Lightner East Dedication Celebration, held at the completion of the restoration. This celebration will include great food, cocktails, live music and, as always, a few surprises.

Please consider one of our sponsorship levels below:

\_\_\_\_\_ I am interested in becoming a **Lightner Treasures Patron**. Historic treasures from the Lightner Museum will be available for individual sponsorship. These items will be showcased at the May 7 tour or by appointment. Pieces include a chandelier, parlor table, pedestals, marble and bronze sculpture and other art. The piece will be restored and showcased in Lightner East with a suitable patron plaque placed near the item.
